COLLAGEN VITAL POWER : MULTI FUNCTIONAL ANTI-AGING, 100% NATURAL, 10G, HIGHEST DOSAGE ON THE MARKET.

Loss of collagen = Aging of the body and skin

Main protein of the body, collagen is everywhere:

- Body's structure and foundation (joints, ligaments, tendons, muscles),
 - Dermis elasticity and plump up,
- Preservation of the barrier function for mucous membranes and skin.

Collagen depletes with age and no longer performs its role.
At 40, 30% of the collagen asset is lost! Aging has started.

Consequences: Pain, inflammation, fragility, sagging of tissues, wrinkles and fine lines.

COLLAGEN VITAL POWER is the **comprehensive anti-aging solution**:
It regenerates your own collagen.
